Utility Rates Rise as of July 1, 2015

On July 1, 2015 the Parks Fee and the Sewer User Fee was raised by the City Council by the Cost of Living Adjustment (COLA) of 2.3%. This translates to the Parks Fee rising by ten cents, to a total of \$4.75, and the Sewer User Fee rising by eighty-one cents, to a total of \$32.05. The Stormwater Fee once again rose by \$2.00 in accordance to Ordinance 2013-05 to a total of \$9.00 per EDU (Equivalent Domestic Unit). These increases will be reflected on the utility bill you are receiving with this newsletter. The new amount of the utility bill is \$49.80 per EDU. This amount will stay constant through June 2016 service.

Thank you for Your Patience!

City Hall sustained water damage on July 14th and has been receiving clean-up and repairs since that time. It was necessary to close City Hall due to noxious odors due to refinishing the wood floors from July 20 through July 24. It was expected that all repairs would have been completed by then, but, as of this writing, the repairs have still not been completed. The absence of computer service necessitated City Hall to be closed until noon on July 30th.

Staff appreciates your patience while the City Hall has been closed.

Thank you!

Thank you, Tangent Rural Fire District!

The City would like to thank the Tangent Rural Fire District for their hospitality to the Tangent Planning Commission as well as the Tangent City Council. The City appreciates you offering to house the two meetings that needed to be held while the City Hall was being repaired.

Thank you again!!
