#### Don't Forget . . . .

*Are you interested in how the city works? Then apply for a position on the council. We have two council positions plus the mayor position up for a vote in November. **Qualifications:** You must be a qualified voter and have resided in the city during the twelve months immediately preceding the election. The council shall be final judge of the qualifications and election of its own members. You will need to fill out some paper work, and determine if you want to get 25 signatures from registered voters of Tangent, or pay a \$10 filing fee. **The filing deadline is August 19 by 4:00 p.m. Paper work is available at Tangent City Hall.***

#### Tangent Fire District News

**New Employee:** Tangent Fire District would like to welcome our newest paid staff member. Sean Johnson has been hired as our Prevention/Public Education Specialist with the rank of Captain. His primary duties will be conducting fire safety inspections, plan review, pre-fire plans, and coordinating the school life safety program. Additionally he will assist with training, equipment and apparatus maintenance, and the weeknight duty officer rotation. His presence here during weekday hours will help with our response capabilities during those hours when many of our volunteers are away at their regular jobs. He comes to us with 20 years of volunteer service at Halsey-Shedd Fire District, and is completing his Associates Degree in Fire Protection from Chemeketa Community College. He and his wife Denise have two boys. Sean started on July 1st and has shown to be a dedicated and hard-working member, and a good fit with our current personnel. Welcome Sean!

**Medic 71:** As you have probably read in the newspaper, a cooperative agreement between Albany Fire Department, and Lebanon and Tangent Fire Districts has led to the formation of Medic 71, a part time Paramedic ambulance staffed by AFD and LFD personnel and housed at Station 71 in Tangent. This unit is staffed from 9 am to 9 pm Monday through Saturday and will be doing the routine and emergency interfacility transports, and may also be available during those hours to respond to 911 calls in Tangent, Halsey-Shedd and parts of Brownsville, which should substantially reduce the ambulance response times.
