Introducing Tangent's New Mayor

At the Council Meeting January 12, 2015, the City Council reviewed the application they received from Loel Trulove, Jr. to be appointed Mayor of Tangent. Mayor Trulove is a life-long citizen of Tangent and is retired from a career of 32 years at the Albany Fire Department. Thank you Mayor Trulove for your service to your community.

Budget Committee Members Needed

The City of Tangent had two members of the Budget Committee resign last year. The City would again like to thank Alice Sperling and Ruth Shirley for their many years of service on the Budget Committee. The City would like to fill the two open positions by the first meeting which will be held in late April or early May. To qualify to be on the Budget Committee you must be a citizen of Tangent. The duties of the Budget Committee are to approve the budget that is presented by the Finance Director and Budget Officer of the City. Generally, this is accomplished in the first meeting, but, occasionally a second meeting needs to occur before the budget is adopted by the City Council at their June meeting.

To be considered by the City Council to become a Budget Committee member you must fill out a volunteer application which is available at City Hall located at 32166 Old Oak Drive. If you have any further questions, please call Georgia or Bev at 541-928-1020 between the hours of 9:00 am and 4:00 pm or email them: georgia@cityoftangent.org or bev@cityoftangent.org, or you can come to the next City Council Meeting which will be February 9, 2015 at 7:00 pm.

Next Planning Commission Meeting

The Planning Commission will be meeting on February 5, 2015 at 7:00 p.m. at Tangent City Hall. There will be two land use hearings; one for an expansion of Barenbrug and another a new business for Michael Boyd, located at 33060 Hwy 99E, for commercial storage/light manufacturing which may include putting together cars, switching tires or fenders and eventually a pallet company. Anyone may attend and present testimony either for or against these requests.
