## Albany Area Regional Transportation Plan

### **Albany Area Regional Transportation Plan – Public Meeting Schedule**

How do we decide where to build roads, transit, sidewalks and bikeways? How do we take care of what we have and build a strong transportation system for the future? Learn about the regional transportation planning work of the Albany Area Metropolitan Planning Organization at upcoming meetings, and help shape the future of our region's travel.

The Albany Area Metropolitan Planning Organization (AAMPO) is developing a Regional Transportation Plan that identifies regional transportation needs and priorities for the next 20 years. The Plan will identify transportation needs for all types of travel – vehicles, public transportation, bike and pedestrian travel, freight, and rail.

AAMPO is hosting five public meetings in January to present preliminary materials and gather input from citizens and stakeholders. Stop by to learn about project, look at future projections, and tell us what you would like to see in the next 20+ years.

Most meetings are scheduled prior to regular City Council meetings. A lunchtime meeting at the Albany Library and an online 'virtual meeting' are also scheduled.

#### **AAMPO Regional Plan Public Meeting Schedule**

Tangent Fire Hall                      Jan. 11th, 5:15 – 6:15 pm (Prior to the City Council meeting)

Can't make the meetings? A 'virtual meeting' will be held on the project website beginning in early January - <http://albanyareatransportationplan.org/>. More information is available on the project website or by contacting Theresa Conley at [tconley@ocwcog.org](mailto:tconley@ocwcog.org).
