CONGRATULATIONS AND THANK YOU!

The City Council would like to extend their congratulations to Beth Timmons and Jeffry Jones. Beth has agreed to serve on the Planning Commission while Jeffry has agreed to serve on the Budget Committee. Thank you both for agreeing to serve on these important committees for the City of Tangent. The Planning Commission as well as the Budget Committee serve very important purposes for the City.

BUDGET MEMBER NEEDED

The City needs to fill one more position on the Budget Committee. The meetings are held 1 to 2 times a year during the month of May and you have to be a citizen of Tangent. Please contact City Hall if you are interesting in serving.

Albany Area Regional Transportation Plan

Help Shape the Future of Our Region's Travel: AAMPO Seeks Input on Draft Transportation Project Lists

In January of this year, the Albany Area Metropolitan Planning Organization (AAMPO) hosted a series of meetings on transportation goals, conditions and projections. Now the project has a *draft list of transportation projects* to share with the public. Stop by to review "The Framework" (goals, objectives, and transportation project list), and tell us what you would like to see in the next 20+ years.

You will also have an opportunity to comment on *draft Transportation Improvement Program that prioritizes projects for funding by the MPO over the next 3 years.*
